Art Unit: 3662

1. It is noted that in the amendment that was received on 15 November 2004 that sole original independent claim 1 has been cancelled and that original dependent claims 2, 5, and 8 have been significantly amended to be independent claims.

2. Claims 2-9 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

On line 11 of independent claim 2, the phrase "so as to analyze the data" is indefinite and unclear in context of the rewritten claim in that the phrase indicates either that certain unspecified actions accomplish analyzing of the data or that certain unspecified actions prepare the data for analyzing that is never later recited. The same problem occurs on line 11 of independent claim 5 and on line 11 of independent claim 8.

Dependent claims 3-4, 6-7, and 9 are unclear in that they depend from unclear independent claims 2, 5, and 8.

3. Claims 2, 5, and 8 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

4. Claims 3-4, 6-7, and 9 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP

Art Unit: 3662

§ 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
